

Executive Headteacher ♦ Mrs Jane Green

Dear Parents/Carers

A Healthy Start

Welcome back and Happy New Year to you all. The staff have enjoyed a festive break and have returned to school re charged and bursting with energy to enthuse and excite our pupils in their learning.

Getting active and healthy!

We have been really pleased with the level of enthusiasm and interest that the children have shown towards being healthy eaters and trying to be more active. The daily walk has been a huge success- all of the children have walked around the school playground every day this week for at least 15 minutes. We have also received some brilliant homework from children in all year groups. A number of children have shared photos of themselves cooking healthy meals at home as well as doing more exercise and enjoying the great outdoors! It would be lovely to keep it all up!

Clubs

We have Premier sport in school again, leading two new exciting after school clubs – Basketball and Fencing- I believe there are a couple of spaces available. If you are interested, and you would love your child to take up this opportunity of taking part in an interesting, exciting new sport, please book online to secure a place. We have been very impressed with the professionalism and quality of coaching that the clubs provide- not one to be missed! Visit www.premier-education.com

Swimmers Wanted

The City of Derby Swimming Club are looking for new members to expand its squads in the Junior Coaching Programme. If you are minimum ASA Stage 4 and aged 4-8 years, then please contact Claire Cotton via

membership@coderby.co.uk

Internet Safety Meeting for parents

“ When it comes to online safety, we know that educated children start with educated adults ”

Traci Good, an expert in providing good quality training around ESafety will be leading 2 sessions on **Thursday 18th January** in the main hall for ALL parents to attend. An afternoon session at **2pm** and an early evening session at **6pm**. If you can make arrangements to attend one of the meetings, we believe that you will find it extremely informative and it should help you as parents to feel more equipped with the information you need to help to keep your child safe online. We look forward to seeing you.

Thank you for your continued support, we are looking forward to a positive, exciting year ahead.

Kind Regards

Kate Spencer Lovesey

Head of School
