

In 2016/17 our school has received: £9500.

In 2016/17 our sports funding was spent on increasing the range of sports our children took part in and increasing the fitness of our children. Our children have increased the number of sports they have played as we have entered a wider range of tournaments run by the Derby City SSP with more children taking part. Our school football team have played 12 matches. We have introduced different sports to the children and the up –take for after school clubs has improved. The federation cup was not as successful this year as we were hampered by TA strikes and this is something that must not happen next academic year where Lakeside Primary School will join us. All children were base-lined in fitness testing but no real progress was made in improving the fitness – this will be a priority for next year and children need to be more aware of the importance of staying fit. Sports week and sports day was very well received.

- 3 new sports trialled by the children – pool, tri-golf and hammer
- 3 professional sportsmen attended workshops and joined in lessons. – Wayne Madsen (professional cricketer) did a Q and A with year 5's and joined in a lesson and Jack Whelan – Great British Pool Champion took part in an assembly. Simon Cusden (former professional cricketer) delivered an assembly on mental health during our sports and mental health week
- 100% of children took part in a variety of sports and every child competed in our competitive Sports Day
- 100% of children received cricket coaching – run by Chance to Shine
- 5% increase on Derby City Sports from 2015/16
- SEND-D class attended 95% of their events – increase of 15%
- SEND-D class children join in with PE lessons
- SEND-D class won a Derby City award – 'Outstanding Opportunities for All'

Please see this table below to view participation rates of after school clubs

| After school club's | Number of children over the year |
|---------------------------------|----------------------------------|
| Football | 63 |
| Pool | 27 |
| Gymnastics | 14 |
| Basketball | 11 |
| Futsal | 19 |
| Benchball | 9 |
| Table tennis | 23 |
| Hockey | 15 |
| Volleyball | 11 |
| Street dance (outside provider) | 20 |
