## School News

The first half of the final term is over and the staff and children at Village Primary School have been very busy. In Year 2 and Year 6 the children have been taking their SATs tests. The teachers in these year groups have been impressed with the determination and perseverance that the pupils have showed when preparing for these. The children have worked extremely hard and should be very proud of their own efforts. The school would also like to thank to the parents who have supported their children at these times by completing homework, reading school books at home and ensuring the children had plenty of sleep.

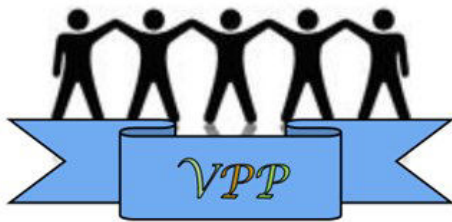

### A REMINDER ABOUT PARKING

Please be reminded that parking across resident driveways when dropping pupils off at school is not allowed or acceptable. Numerous letters have been sent out and we again would like to thank you in advance for parking sensibly and safely near the school grounds.

## Parent Partners

### Village Parent Partners

A while ago Miss Blurton sent out a questionnaire asking if any parents would like to improve their own Reading, Writing or Maths skills. Some parents expressed an interest in this and Miss Blurton would like to arrange a drop in session to discuss this further with those parents. The proposal is that Miss Blurton will arrange lessons for parents to attend where help will be given to improve basic skills in these subjects. A free club will be available for children to be looked after during these sessions. Please come along to the drop-in session to find out more information about this.
