30th March 2017

Dear Parents/ Carers,

VILLAGE PRIMARY SCHOOL NEED YOUR SUPPORT!

I am writing to you all to ask for your support & co-operation with the issue of parking. It has been brought to our attention that some parents/ carers are parking, in what can only be described as inconsiderate. Whilst this is not a photo from Village Street, Browning Street or Arleston Street, it is an example of what is happening outside, across our neighbours' driveways & we are asking that this STOPS immediately.

Recently a resident who needed to get off their own driveway was unable to due to the inconsideration of a driver, bringing a child to school. Just imagine if it was you or your relative who couldn't get to the hospital in an emergency - it doesn't bear thinking about.

Thank you in advance for your support and co-operation on behalf of all our staff, pupils & neighbours.

D Beeston

Dear Neighbours of Village Primary School,

Please find overleaf, a copy of a recent letter that we have sent to our parents and carers asking for their support.

We know that parking around the school is a constant issue and we are as frustrated as all of you with the inconsiderate parking of a minority of people.

As a school, we keep trying different strategies to ease this situation & we will keep doing this. As we do not have the legal powers to enforce people to move their cars etc, it makes it even more frustrating for us as we know the impact it has on all of you & potentially the danger it poses to our children. However, this does not mean that we will give up in our pursuit of making our school entrance areas safe for all of our pupils and wider community, including yourselves as neighbours.

I will be sharing this letter with the children in assembly, so that they can be involved in helping to make a positive difference.

If you have any concerns about parking issues & safety, please do not hesitate to call the local non-emergency police on 101 to report this and seek advice.

Regards

Debbie Beeston (Head of School)
